

KNORR SYSTEME

Increase of output - Ease of operation - Improvement of quality

Air Pallet Lift LLK

Type

Paper size (cm)

LLK - 600 - 3

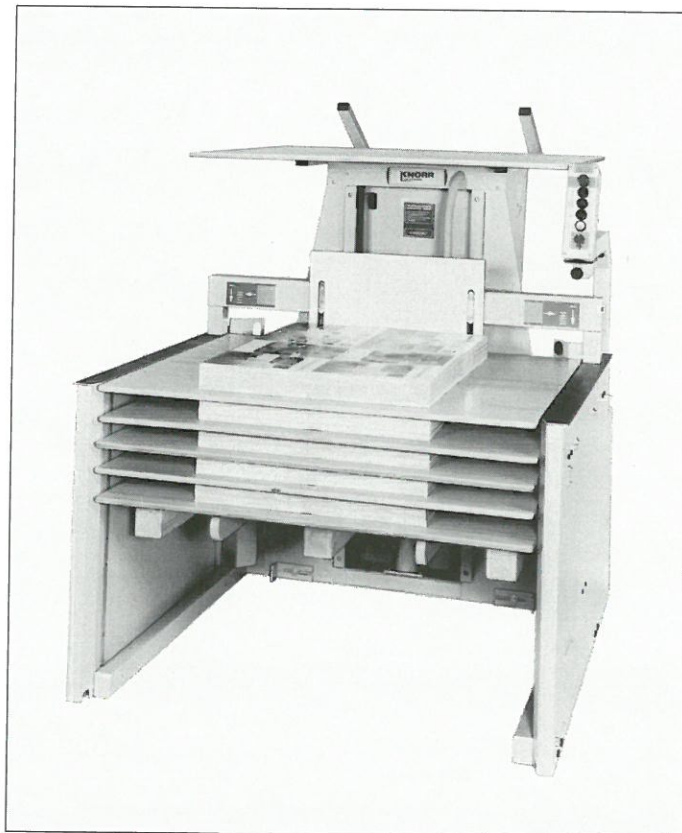

75 x 104

LLK -1000 - 6

102 x 142

LLK -1300 - 7B

122 x 164

Carrying capacity

600 kg

1000 kg

1300 kg

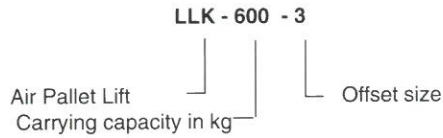

Large printers / publication printers
Manufacturers of packing materials
Paper-mills, paperboard-mills / wholesalers
Bookbinderies, printing converters
Converters for special material

Commercial printing
Silk screen printers
Quick printers
In plant printers
Label printers

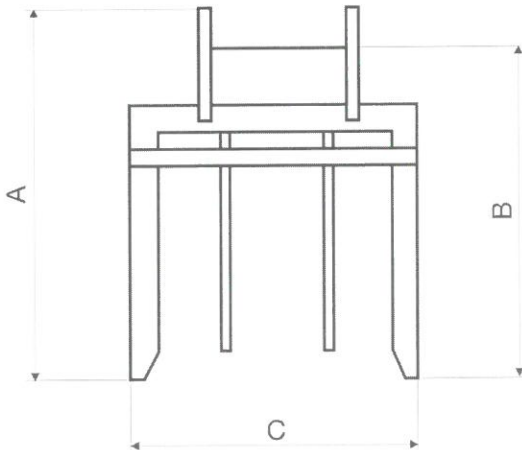

Machine self-supporting, moveable. Lifting, lowering, heights and lowering automatic actions are switched at control panel. Control panel can be mounted on left or right side. Lifting forks are adjustable at sides. Blower at the machine.

Prepared reams of paper can be buffered in very limited space. Reducing waiting time at the cutting machine. Working in working height - you don't have to bend !

Type designation

Dimensions (cm [inches])

	600-3	1000-6	1300-7B
A	168 [66]	193 [76]	211 [83]
